

POB Webinar

**Join our webinar on October 19th, 2021,
at 16:30-17:30 CET (8:30-9:30 am MST)
on “POB Agile Enhancements”**

Are you interested in knowing more about the many enhancements that are released during the year as agile enhancements?

We invite you to join our October webinar that will focus on where to find the information on POB Agile Enhancements and also on some of the agile enhancements which have been released in the 1.10 and 2.0 versions of POB.

Join the webinar and let Kevin Goertzen and his team of consultants show you enhancements like:

- Program Action should return a value to a POB field
- Multi-language Web Forms
- Control Action option to send an email
- Trigger and Action on Confidential Settings
- Change On Global Search Results Layout
- Restart of Web Engines via Menu/Window
- PQL to show what application a User is in

Please register with e-mail on the [POB User Group website](#) no later than Oct. 15th and receive a link to join the webinar no later than Oct. 18th.
